

Rural Utilities Service, USDA

§ 1739.15

§ 1739.13 Ineligible grant purposes.

(a) Grant funds may not be used to finance the duplication of any existing Broadband Transmission Service provided by another entity.

(b) Facilities financed with grant funds cannot be utilized, in any way, to provide local exchange telecommunications service to any person or entity already receiving such service.

§ 1739.14 Matching contributions.

(a) The grant applicant must contribute a Matching Contribution which is at least fifteen percent (15%) of the grant amount requested and shall be in the form of:

(1) Cash for eligible grant purposes.

(2) In-kind contributions for purposes that could have been financed with grant funds under this part. In-kind contributions must be new or non-depreciated assets with established monetary values. Manufacturers' or service providers' discounts shall not be considered as a Matching Contribution.

(3) The rental value of space provided within an existing Community Center, provided that the space is provided free of charge to the applicant, for the first 2 years of operation.

(4) Salary expenses incurred for the individual(s) operating the Community Center, for the first 2 years of operation.

(5) Expenses incurred in operating the Community Center, for the first 2 years of operation.

(b) Costs incurred by the applicant, or by others on behalf of the applicant, for facilities, installed equipment, or other services rendered prior to submission of a completed application shall not be considered as an Eligible Grant Purpose or Matching Contribution.

(c) Rental values of space provided must be substantiated by rental agreements documenting the cost of space of a similar size in a similar location.

(d) Rental values, salaries, and other expenses incurred in operating the Community Center will be subject to review by RUS for reasonableness in relation to the scope of the Project.

(e) Any financial assistance from federal sources shall not be considered as a Matching Contribution unless there is a federal statutory exception speci-

cally authorizing the federal financial assistance to be considered as such.

§ 1739.15 Completed application.

A completed application must include the following documentation, studies, reports and information in form satisfactory to RUS. Applications should be prepared in conformance with the provisions of this part and applicable USDA regulations including 7 CFR parts 3015, 3016, and 3019. Applicants must use the RUS Application Guide for this program, found at <http://www.usda.gov/rus/telecom/> containing instructions and all necessary forms, as well as other important information, in preparing their application. Completed applications must include the following:

(a) *An Application for Federal Assistance.* A completed Standard Form 424.

(b) *An executive summary of the Project.* The applicant must provide RUS with a general project overview that addresses the following categories:

(1) A description of why the Project is needed;

(2) A description of the applicant;

(3) An explanation of the total Project cost;

(4) A general overview of the broadband telecommunications system to be developed, including the types of equipment, technologies, and facilities to be used;

(5) Documentation describing the procedures used to determine the unavailability of existing Broadband Transmission Service; and

(6) A description of the participating Critical Community Facilities.

(c) *Scoring criteria documentation.* Each grant applicant must address and provide documentation on how it meets each of the scoring criteria detailed in § 1739.17.

(d) *System design.* The applicant must submit a system design that contains the following, satisfactory to RUS:

(1) A narrative discussing the proposed Community Center, all costs of the Project, all existing and proposed facilities that are a part of the Project, the services to be provided by the Project, and the proposed Service Area;

(2) Engineering design studies providing an economical and practical engineering design of the Project, including a detailed description of the facilities to be funded, technical specifications, data rates, and costs; and

(3) A map of the proposed Service Area reflecting the proposed location of the Community Center and all participating Critical Community Facilities.

(e) *Scope of work.* The scope of work must include, at a minimum:

(1) The specific activities and services to be performed under the Project;

(2) Who will carry out the activities and services;

(3) The time-frames for accomplishing the Project objectives and activities; and

(4) A budget for all capital and administrative expenditures reflecting the line item costs for Eligible Grant Purposes, the Matching Contribution, and other sources of funds necessary to complete the Project.

(f) *Community-Oriented Connectivity Plan.* The applicant must provide a Community-Oriented Connectivity Plan consisting of the following:

(1) A listing of all participating Critical Community Facilities to be connected. For those Critical Community Facilities in the Service Area which will not be included in the Project, an explanation of why they are not being included should be provided. The applicant must also provide documentation that it has consulted with agents of all Critical Community Facilities in the Service Area, and must provide statements as to their willingness to participate, or not to participate, in the proposed Project;

(2) A description of the services available to local residents through the use of the Community Center;

(3) A listing of the proposed Telecommunications Terminal Equipment, telecommunications transmission facilities, data terminal equipment, interactive video equipment, computer hardware and software systems, and components that process data for transmission via telecommunications, computer network components, communication satellite ground station equipment, or any other elements of the Project designed to further the de-

ployment and use of Broadband Transmission Service, that the applicant intends to build or fund using RUS grant funds and the Matching Contribution; and

(4) If other telecommunications carriers (including interexchange carriers, cable television operators, enhanced service providers, providers of satellite services and telecommunications equipment manufacturers and distributors) are participating in the delivery of services, a description of the consultations and the anticipated role of such providers in the proposed Project.

(g) *Financial information and sustainability.* The applicant must provide a narrative description demonstrating the sustainability of the Project during the first two years and after completion and the sufficiency of resources and expertise necessary to undertake and complete the Project. The following financial information is required:

(1) Certified financial statements, if available; otherwise, the most current income statement and balance sheet for existing operations; and

(2) *Pro forma* financial information for 5 years, evidencing the sustainability of the Project.

(h) *A statement of experience.* Information on the owners' and principal employees' relevant work experience that would ensure the success of the Project. The applicant must provide a written narrative describing its demonstrated capability and experience, if any, in operating a broadband telecommunications system.

(i) *Evidence of legal authority and existence.* The applicant must provide evidence of its legal existence and authority to enter into a grant agreement with RUS and to perform the activities proposed under the grant application.

(j) *Funding commitment from other sources.* If the Project requires additional funding from other sources in addition to the RUS grant, the applicant must provide evidence that funding agreements have been obtained to ensure completion of the Project.

(k) *Compliance with other federal statutes.* The applicant must provide evidence of compliance with other federal statutes and regulations, including, but not limited to the following:

Rural Utilities Service, USDA

§ 1739.17

(1) 7 CFR part 15, subpart A—Non-discrimination in Federally Assisted Programs of the Department of Agriculture—Effectuation of Title VI of the Civil Rights Act of 1964.

(2) 7 CFR part 3015—Uniform Federal Assistance Regulations.

(3) 7 CFR part 3017—Governmentwide Debarment and Suspension (Non-procurement).

(4) 7 CFR part 3018—New Restrictions on Lobbying.

(5) 7 CFR part 3021—Governmentwide Requirements for Drug-Free Workplace (Financial Assistance).

(6) Certification regarding Architectural Barriers.

(7) Certification regarding Flood Hazard Precautions.

(8) An environmental report, in accordance with 7 CFR part 1794.

(9) Certification that grant funds will not be used to duplicate lines, facilities, or systems providing Broadband Transmission Service.

(10) Federal Obligation Certification on Delinquent Debt.

§ 1739.16 Review of grant applications.

(a) All applications for grants must be delivered to RUS at the address and by the date specified in the NOFA (*see* § 1739.2) to be eligible for funding. RUS will review each application for conformance with the provisions of this part. RUS may contact the applicant for additional information or clarification.

(b) Incomplete applications as of the deadline for submission will not be considered. If an application is determined to be incomplete, the applicant will be notified in writing and the application will be returned with no further action.

(c) Applications conforming with this part will then be evaluated competitively by a panel of RUS employees selected by the Administrator of RUS, and will be awarded points as described in the scoring criteria in § 1739.17. Applications will be ranked and grants awarded in rank order until all grant funds are expended.

(d) Regardless of the score an application receives, if RUS determines that the Project is technically or financially infeasible, RUS will notify the applicant, in writing, and the applica-

tion will be returned with no further action.

§ 1739.17 Scoring of applications.

(a) All eligible applications will receive points for the following scoring criteria:

(1) The rurality of the Project (up to 40 points);

(2) The economic need of the Project's Service Area (up to 30 points); and

(3) The "community-oriented connectivity" benefits derived from the proposed service (up to 30 points).

(b) Scoring criteria:

(1) *The rurality of the project*—up to 40 points.

(i) This criterion will be used to evaluate the rurality of the Community served by the Project, in accordance with the following method of scoring. Rurality shall be determined by the 2000 population data contained in the U.S. Bureau of the Census at <http://factfinder.census.gov>. The following categories are used in the evaluation of rurality:

(A) Level 1 means any Community having a population of less than 500 inhabitants.

(B) Level 2 means any Community having a population of at least 500 and not in excess of 1,000 inhabitants.

(C) Level 3 means any Community having a population over 1,000 and not in excess of 2,000 inhabitants.

(D) Level 4 means any Community having a population over 2,000 and not in excess of 3,000 inhabitants.

(E) Level 5 means any Community having a population over 3,000 and not in excess of 4,000 inhabitants.

(F) Level 6 means any Community having a population over 4,000 and not in excess of 5,000 inhabitants.

(G) Level 7 means any Community having a population over 5,000 and not in excess of 10,000 inhabitants.

(H) Level 8 means any Community having a population over 10,000 and not in excess of 20,000 inhabitants.

(ii) Each application will receive points based on the location of the facilities financed using the definitions in paragraphs (b)(1)(i)(A) through (H) of this section.
